

“Expression of Interest”
for

Rig-less Catenary Coiled Tubing Operation

Hindustan Oil Exploration Company Limited [HOEC] on behalf of the Consortium for the offshore Block in Cauvery Basin which is located offshore Pondicherry in South East India.

The Consortium is planning to carry out Perforation Job and Reservoir Studies using Catenary Coiled Tubing in the Cauvery Basin between Mid March and April 2010 up to 70 m water depth.

The Consortium invites expression of interest from Indian and International Companies for the purpose of short-listing qualified and experienced bidders that will be requested to submit bids for carrying out the Rig-less Catenary Coiled Tubing Operations which include, but not limited to, the following:

1. Well Cleaning / Milling
2. Down hole tools such as motors, bits, mills, etc
3. Casing/ Liner Perforation
4. Production Logging Studies
5. Dynamic Positioned Supply Vessel / Barge
6. Pumping Services
7. Allied Services

Contractors wishing to be invited to qualify for the Tender should submit amongst other details, catalogues and brochures etc. the following documents:

1. A letter of interest, 2. Details of equipment, personnel and the availability of the same, 3. Details of previous supply/ services, 4. HSE policies and QA / QC procedures followed by the company and 5. Availability of Service at the indicated time frame

All response should be sent, so as to be received **within 7 days from the day of Advertisement** in a sealed envelope superscripting the respective supply/service for which the interest is being expressed.

**Responses are to be addressed to
