The disclosure is an extract of the audited standalone and consolidated balance sheet as at March 31, 2017 and March 31, 2016 in accordance with Indian Accounting Standards (Ind As)

Notes:-

1. The above results and notes thereto were reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on April 18, 2017. The statutory auditors have audited the financial results for the year ended March 31, 2017. The information presented above is extracted from the audited standalone and consolidated financial statements prepared in accordance with Indian Accounting Standards (Ind As) as prescribed under section 133 of the Companies Act 2013 and notified under the Companies (Indian Accounting Standard) Rules 2015 (as amended) and the Guidance note on Oil & Gas producing activities (Ind As) issued by the ICAI.
2. The Company has adopted Indian Accounting Standards ("Ind AS") on April 1, 2016 with effect from April 1, 2015 as transition date. The transition was carried out from the Generally Accepted Accounting Principles in India as prescribed under section 133 of the Companies Act 2013 read with Rule 7 of Companies (Accounts) Rules 2014 (IGAPP) which was the previous GAAP.
3. The individual items of expenses in the above financial results are net of amounts charged to Unincorporated Joint ventures (UJV) where the Company is the operator. The Company's share of such net expenses in UJV's are treated as exploration, development and production costs as the case may be.
4. Hardy Exploration & Production (India) Inc., CY-OS-90/1 (PY-3) operator has issued an arbitration notice to all non-operators, ONGC Ltd, Tata Petrodyne Ltd and the company for a total claim of ₹5,193 lacs (US\$ 8.02 million) and the claim against the company is ₹1,329 lacs (US\$ 2.05 million). The non-operating parties have not accepted the claim of the Operator and are in the process of adjudicating the dispute through arbitration as the expenditure after the shutting down of the field on July 31, 2011 is not an authorized expenditure by the Management Committee. The Company made a claim of ₹8,638 lacs (US \$ 13.32 million) towards various excess charges and sought refund from the Operator during the year. The claim not acknowledged as debt by the company also includes the claim of ₹1,440 lacs relating to dispute between Aban Offshore Limited and the Operator "Hardy" wherein the claim was not acknowledged by the Operator.
5. In block PY 1, solely operated by the Company, the Ministry of Petroleum & Natural Gas (MOP&NG) has computed the royalty based on the value of gas received by the Company (the Operator) and made a demand for the years from 2009-10 to 2014-15 towards short paid royalty of ₹1,028 lacs (US\$ 1.55 million) excluding interest.
6. With regard to the above claim, the company has, during the previous year, re-computed the royalty on gas produced and sold, based on wellhead price as per the terms of the production sharing contract and compared it with the actual royalty paid by the company for the years from 2009-10 to 2014-15 and noted that they have made an excess payment of ₹1,159 lacs (US\$ 1.75 million) to MOP&NG. A claim has been lodged by the Company to MOP&NG, which is pending settlement.
7. For block RJ - ONN - 2005/2, operated by the Oil India Limited (the Operator), the parties have surrendered the block. The Company has made a provision of ₹ 799 lacs for the liquated damages payable to Government of India.
8. In this block, RJ-ONN-2005/1, there has been a delay for more than two years in obtaining the Government clearances. According to the terms of policy of Government of India issued in November 2014, which states that, if the delay due to lack of statutory and other clearances is beyond 2 years, then the contractor is permitted to exit from the contract without payment of cost of unfinished work program. The company has decided to exercise this option and exited this block, on July 9, 2015 and therefore no liability will devolve with respect to this block.
9. With respect to block CB-OS/1 operated by Oil & Natural Gas Commission (ONGC), there was no operations during the year and therefore, no expenditure has been considered in the financial statements.
10. During the year, the company has received a demand from the service tax authorities for ₹ 77.09 lacs (March 31, 2016 ₹14.75 Lacs) with an equivalent amount of penalty for the period from October 2007 to March 2011 on availing Cenvat credit. An appeal has been filed with Commissioner (Appeal) as the demand is not sustainable under the law after paying an amount of ₹5.78 lacs to the tax authorities. Previous year demand of ₹ 14.75 lacs pertains to one of the unincorporated joint ventures.
11. Hindage Oilfield services Limited ("HOSL") (formerly known as HOEC Bardahl India Limited), a wholly owned subsidiary of the company was incorporated on November 24, 1988 in the state of Gujarat. This agreement was extended time and again and was valid till February 29, 2016. BMC has not renewed the agreement with HOSL and entered in to an agreement with one of the distributors LV Rustore Applications Pvt Ltd ("LVR"). Consequent to the discontinuation of distribution of marketing BMC products effective February 29, 2016, the legal process has been initiated against LVR to protect the interest of the company. The arbitration application filed by LVR under section 11 of the Arbitration Act was dismissed by the Court on October 14, 2016. The company has appointed a sole arbitrator to adjudicate the disputes.

12.
